Chuck & Cam,  
We have permission to increase OT until the end of June. There is now a surplus in personnel that AI doesn't want to revert. I don't have a sense of how much but he said use as much OT as you want! We will likely approach Boston to request resources to help us out, but will need to gather some data to establish our current costs. I'll ask Carol for the personnel info & will have to bug you guys for supply, equip, service etc costs ( and wishes training, travel etc).  
Baby steps,  
Julie
